

## College and Career Exploragories

### Facilitator Instructions— Part 1:

1. Hand out copies of the game to each person, but make sure they keep it face down so they don't start brainstorming early!
2. Once everyone has a copy of the game, give the instructions below:
  - a. Each person will have 3-minutes to quickly write down their answers to the categories using the assigned letters
  - b. For example, if the letter is "P" and they are trying to come up with a "college," you might write Pitzer College or Penn State.
  - c. Keep in mind, you are trying to be as creative as possible and identify answers at your table that no one else will pick. When we score the game, you will not receive any points for repeated answers.
  - d. Make sure to ask if everyone understands or if they still have questions.
  - e. After setting a timer, tell everyone to **GO!**

### Example:

Letter	College	Career	College Major	Company in PNW	Score
T	Tennessee State University	Therapist	<del>Theology</del>	T-Mobile	3

Letter	College	Career	College Major	Company in PNW	Score
T	Temple University	Truck Driver	<del>Theology</del>	Theo Chocolate	3

Letter	College	Career	College Major	Company in PNW	Score
T	Tacoma Community College		Theater		2

### Facilitator Instructions— Part 2:

1. When you go to do scoring, everyone will be competing against the people at their table. Each person will share their answer within a letter/category.
  - a. For example, they share the answer for the College that starts with "T" they wrote down: TSU, Temple, TCC. Since there are no repeats, everyone gets a point. When there is a shared answer, like "Theology" above, those two players cross it out and do not receive a point. Blanks also do not receive points.
  - b. Have everyone total their scores and see who the winner at each table is
  - c. Ask who the winner in each table is, and then ask who has the highest score in the room! The winners will get a prize!

#### Scoring

- 1 point for each answer
- Repeated answers = 0
- Blanks = 0

Career and College Exploragories

Letter	College	Career	College Major	Company in PNW	Score
<b>M</b>					
<b>D</b>
