

EASY CLASSROOM ACTIVITIES FOR DISCOVERU!

All activities are aligned to this year's theme days!

Career-a-Day!

THEME DAY: Classroom to Career

HOW TO:

- Highlight careers that use the content from the class you teach
- Consider unique jobs, for example, many careers like public relations and public policy require strong writing skills, not only journalism
- Discuss other skills used in the classroom that you need on-the-job, like note-taking and time management

STEM Career Grab Bag

THEME DAY: DiscoverSTEM

HOW TO:

- Create a list of various STEM careers
- After cutting them up, put the careers in a bag
- Have students draw one of the careers
- Have students research about the career they picked and what skills and education requirements they would need to prepare for that career

"I Spy" Careers

THEME DAY: Classroom to Career

HOW TO:

Have students brainstorm all the jobs and careers that they relied on or interacted with from the minute they woke up to when they got to class. For example:

- Someone wrote their textbook and created the graphics in it
 - Someone wired the electricity in their school and plumbed the bathrooms
 - Someone drove the bus they took to school
- Reflect on the jobs and what it means for career opportunities in the future

"It Takes a Lot of Jobs" Poster Making

THEME DAY: DiscoverSTEM

HOW TO:

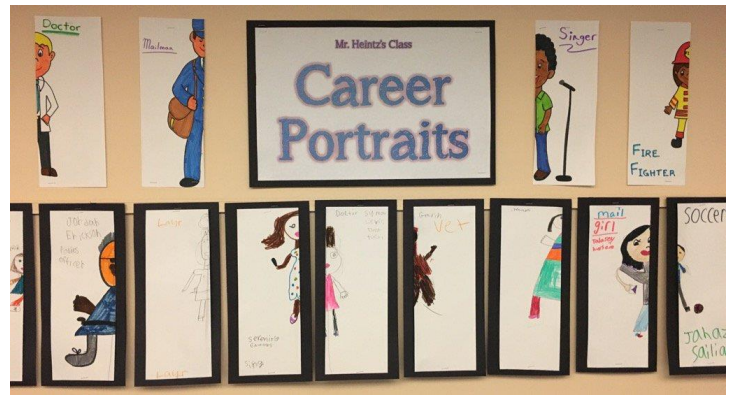

- Show examples of "It Takes a Lot of Jobs" posters
- Students pick a object, event or service they like or use
- Students research jobs that go into it
- Make a poster

Exploragories

THEME DAY: College Gear Day

HOW TO:

- Handout copies of the [Exploragories](#) game to each person– make sure it's faced down
- Give the students a set amount of time to write down their answers to the categories using the assigned letters
- You may need to allow students to do online research or provide other resources
- After everyone is done, score the sheets and see who's the winner! 1-point for each unique answer

Hero Profiles

THEME DAY: Community Heroes

HOW TO:

- Have students select a hero they look up to in their community or life
- Have students write about that person's pathway and the skills they need to be successful in their job. For example, Beyoncé isn't only good at dancing or singing, she also needs to know how to understand business contracts, interview, and manage a busy schedule

College Knowledge Word-of-the-Day

THEME DAY: College Gear

HOW TO:

- Using the [College Knowledge](#) materials, select 5 important college terms from the glossary, such as "financial aid" and "tuition"
- Each day in class, share and discuss one of the terms
- You can even create a game to check student understanding of the words later in the week
- Share the online link for the College Knowledge materials so your students know about the resource

Teacher College Pathway

THEME DAY: College Gear

HOW TO:

- Complete the [DiscoverU Door Decoration Poster](#) with your college pathway
- Share with students about your college experience and give them time to ask

Photo Booth Fun

THEME DAY: Flash Forward Friday

HOW TO:

- Have students design an awesome backdrop for the Flash Forward Friday photo booth
- Help students transport themselves into the future and envision where they want to be by using the [DiscoverU photo booth signs](#)
- Tag us in social media @discoveruwa & use the [#DiscoverUWA](#) hashtag!
